

Stacey Campbell

Annie Sloan Essential Chalk Paint Workshop

(see Doune Chic Facebook Page)

Maximum number of places in class: 8

Wed 23rd October

10.30am - 1.30pm in Castleton Hall upstairs £25

Description of Workshop

Have you always wanted to update your furniture but haven't had the confidence? Why not come along to our Annie Sloan Essential Chalk Paint Workshop. We will show you how to achieve a number of different paint techniques including a two toned paint effect and how to distress, a modern flat paint finish, an aged textured look and a lime washed effect.

We will also cover wax and lacquer application experimenting with coloured waxes to enhance your painting techniques.

The workshop will last approximately 3 hours. All materials will be provided along with a wooden board for you to practice the techniques on. This will be yours to take home.
